

Safe Event Protocols

Ceridian's priority is the health and safety of our clients, attendees, and employees. In partnership with the Wynn Las Vegas, Ceridian will adhere to all current advice and guidance from the US and local Government, any venue or location-specific regulations (masking, physical distancing, etc.), and any other protocols deemed appropriate for the current COVID-19 situation.

Health and Safety Requirements and Protocols

COVID-19 Vaccination/Testing

All Ceridian attendees are required to be either fully vaccinated or receive a negative COVID-19 antigen/PCR test within the 7 days prior to the start of the conference.

All Non-Ceridian attendees are requested to be either fully vaccinated or receive a negative COVID-19 antigen/PCR test within the 7 days prior to the start of the conference. Ceridian will not collect or retain any vaccination or testing documentation.

Masks

While masks are currently not required in Las Vegas, if you prefer to wear a mask, please feel free to do so.

Physical distancing

Physical distancing requirements will be in compliance with the venue/facility guidelines.

Wellness/Self-Assessment

Prior to the event, if you're not feeling well or have been in close contact with a positive COVID-19 case, we ask that you do not attend. Additionally, if you have tested positive with COVID-19 (within the 14 days prior to the conference start date), we ask that you do not attend.

While at the event, if you begin feeling unwell at any time, we ask that you refrain from attending and seek any required medical attention. You can find [a list of COVID-19 symptoms here](#).

Questions

If you have any questions or require assistance please email insightsconference@ceridian.com.
