

Course Description

Powerpay Record of Employment (ROE)

This two-hour webinar provides a more in-depth understanding of the Record of Employment process in Powerpay. The session's subjects include how to process ROEs in the application, review insurable earnings history and correct some of the most common ROE issues.

Facilitation:

- Interactive webinar training with product demonstration
- Computer with high-speed internet
- VOiP or telephone for audio

Attend if you are:

- Using Powerpay and are responsible for processing your company's payroll

Once you have attended, you can confidently:

- Process status changes and issue Records of Employment
- View and edit insurable earnings history
- Interpret Record of Employment errors and warnings

Duration: Approximately 2 hours

Price: \$150.00 plus applicable tax (or as per Ceridian quote/contract)
