

Statutory Holidays – Ensuring Compliance – facilitated by Ceridian & the Canadian Payroll Association (CPA)

Topics covered:

Payroll practitioners have a huge responsibility in transforming legislation into organizational policy. This can be a challenge since there are so many aspects of employment and labour standards legislation and regulation that are multifaceted. This webinar will cover the federal, provincial and territorial legislation related to statutory holidays for all jurisdictions across Canada. The following issues will be examined: Statutory holiday observance; employee entitlement; statutory holiday pay requirements for eligible employees; overtime calculation in weeks where there is a statutory holiday and much more.

Prerequisites:

- High comfort level with the internet
- General knowledge of payroll legislation

Attend if you are:

- responsible for processing payroll
- required to understand up-to-date government legislation related to payroll

Facilitation:

- Web based training that is interactive in that participants can verbally communicate with the facilitator – ask questions, etc. using the telephone.
- Attendees learn via the web from their own computer in the convenience of their own office.
